## **ABOUT THE INSTITUTE:**

Priyadarshini Engineering College, the flagship of Jai Barath Charitable Trust, was established in 1995 at Vaniyambadi in Vellore District of Tamilnadu. The College has been approved by All India Council for Technical Education, New Delhi and affiliated to Anna University Chennai. The objective of the trust is to foster quality technical higher education, research and training in various branches of Engineering & Technology. At present, our college offers six under graduate programmes and six post graduate programmes in various Engineering, Administration and Computer Applications.

## **VISION**

- To inculcate in the young rural minds the aptitude to compete with the quality technocrats.

## **MISSION**

- To instill technical skills to compete in the sustainable world.
- To impart holistic value based technical education.
- To intensify Research & Development (R&D) activities in technological development.

## **ABOUT ISTE:**

**The Indian Society for Technical Education (ISTE)** is the leading National Professional non-profit making Society for the Technical Education System in our country with the motto of Career Development of Teachers and Personality Development of Students and overall development of our Technical Education System. At present, ISTE has a very large and an effective membership base consisting of more than 1,02,985 Life Members, 5,54,094 Student Members, 2410 Institutional Members (including IITs, IISc., NITs and other leading technical institutions), 1214 Faculty Chapters and 1322 Students' Chapters and 17 Sections throughout the country.

## **OBJECTIVE:**

Skill Development yourself and your skill sets to add value for the organization and for your own career development. Fostering an attitude of appreciation for lifelong learning is the key to workplace success.

A Research and development job allows graduate engineers to use their skills to push the frontiers of science forward. The aim of research and development (R&D) is to improve the current technologies offered by an organization or to develop innovations that strengthen the organization's position in the marketplace.
