One day Workshop on “Intellectual Property Rights & Innovations”

14th December 2017

Organized by

PEC Research & Development Cell

About the Institution:

Priyadarshini Engineering College, the flagship of Jai Bharath Charitable Trust, was established in 1995 at Vaniyambadi in Vellore District of Tamilnadu. The College has been approved by All India Council for Technical Education, New Delhi and affiliated to Anna University, Chennai. The objective of the trust is to foster quality technical higher education, research and training in various branches of Engineering & Technology. At present, our college offers five under graduate programmes and six post graduate programmes in various Engineering,

Administration and Computer Applications. 3 UG Programmes and 2 PG Programmes obtained Permanent Affiliation from Anna University, Chennai.

About the R&D Cell:

In order to strengthen and expand the research activities in the institute, PEC R&D Cell has been established and is functioning in this Institution from 2015. The significant factors indicating potential growth in the research activities includes the enhancement in the research publications in peer reviewed journals, Research Projects/ grants, Patents, Collaborations, Doctoral program and Faculty development. The Cell is a nominated committee consisting of Professors from various programs of Engineering and Basic Sciences. The organizational structure consists of a Director, Committee Members and Coordinators for facilitating the routine functioning of the cell.

Our College Mechanical Engineering Department has research centre in which the faculty and students from various institutions, who are interested in enhancing their qualifications do their research, work in their discipline.

About the Workshop:

The one day workshop on “Intellectual property rights & Innovations” is well structured, focused and result oriented. The workshop focuses on different aspects of Intellectual Property Rights (IPRs), How to convert the research works/project works into Patents and Hands on training on

patent searches for Innovation. This workshop will bring a positive transformation in the Faculty member’s attitude in their project and research works and get them more focused as well as result oriented.

Resource Person

Dr. M. Kantha Babu

Director,

Centre for Intellectual Property Right

College of Engineering Guindy,

Anna University, Chennai -600025.

Email:kb@annauniv.edu

Mobile: 9444114691

About Resource Person:

Dr.M.Kantha Babu has obtained BE from Coimbatore Institute of Technology (CIT), and his Master’s and PhD degrees from Indian Institute of Technology Madras (IIT Madras), Chennai. Based on his research work he has so far published more than hundred technical publications in reputed International/National Journals and Conferences and applied for few Patents, Patent Design and Copy Rights. Presently, he is handling Govt. Sponsored Projects worth more than Rs. 2 Crores. He has more than 26 years of experience in teaching and research. He is also a certified professional Trainer. He is recipient of ‘Indian National Science Academy’ award. He is dynamic, result-oriented, energetic and motivational speaker. His session has been proved to be an “eye opener” to the participants in terms of their research and project works. Based on his dynamic leadership, CIPR has been recognized by Government of India as ‘Facilitator’ for Start-Ups. He has recognized Institutions by Awarding “Anna University Intellectual Property Award” every year for the two best performing Institutions in each region.

Target Audience:

Faculty members, Research Scholars and Final year students, who are intended to do quality project work.

Contents of the Workshop:

1. Overview on Intellectual Property Rights.
2. How to Convert the Research and Project works into Patents.
3. Copyrights and Trademarks
